## "THE LILY AND THE PRINCE"

Gorgeous Production at The Washington Next Monday Evening

In the forthcoming production of the new romantic drama, "The Lily and the Prince," Mildred Holland's greatest success, at the Washington Theater on Monday, Miss Margaret Blake as the Lily will be pitted as the innocent girl, with the purity of the Lily, against the intrigues and unscrupulous methods of that beautiful arch poisoner, Lucrezia Borgia.

The action of the play is in the sixteenth

century in Italy and deals with the attempt to overthrow the Papal States.

An atmosphere of romance and intrigue is woven about the play, while the eye is rested and satisfied with the grandeur, elegance and rich coloring of mediaeval costuming and interior hangings.

MISS EDNA IRVINE

## What Does Your Mirror Say?

Does it cheerfully report an abundance of beautiful, well-kept hair, or does it regretfully tell the story of hair neglect?

Your mirror may be anxious to please, but if you permit your friends to see dull, brittle and lusterless hair, with possibly dandruff and falling hair, your mirror will have to reflect the same condition.

All of these unfortunate EFFECTS can be overcome by destroying their CAUSE with

## NEWBRO'S HERPICIDE

The ORIGINAL Remedy That "Kills the Dandruff Germ."

Dandruff, with its consequent hair injury and hair loss, is now known to be a highly contagious germ disease. It is caused by an invisible growth of vegetable character that finds lodgment in the sebaceous glands of the scalp. This growth disturbs the functions of the sebaceous glands, causing excessive oiliness or extreme dryness of the hair. It also sets up an inflammatory process that extends down the follicle to the papilla, where the adhesions are loosened and the hair slips out. The value of Newbro's Herpicide in such cases is quite extraordinary. Its intelligent use will correct every condition short of chronic baldness and thus permit the hair to resume its natural luster and abundance.

## MISS EDNA IRVINE,

A noted Theatrical Star, whose photograph is here reproduced, WRITES AS FOLLOWS: "I can most heartily endorse Newbro's Herpicide. It is delightful for the hair and I could not do without it. (Signed) Hotel Westminster, EDNA IRVINE, Irvine Place, New York."

More men and women have gotten positive results from the use of NEWBRO'S HERPICIDE than from all other hair remedies combined.

Send 10 cents in stamps to THE HERPICIDE COMPANY, Dept. L, Detroit, Mich., for sample and booklet.

Two Sizes—50 cents and \$1.00. At Drug Stores. When you call for Herpicide, do not accept a substitute. Applications at prominent Barber Shops.

FREE TO YOU—MY SISTER

Free to You and Every Sister Suffering from Woman's Ailments.

I am a woman.  
I know woman's sufferings.  
I have found the cure.  
I will mail, free of any charge, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell you about this cure—your mother, your sister, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. Men cannot understand women's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or White Discharge, Ulceration, Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Tumors or Growths; also pains in the head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weariness, kidney and bladder troubles where caused by weaknesses peculiar to our sex.

I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give this to continue, it will cost you only about 12 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer if you wish, and I will send you the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost, my book—"WOMAN'S OWN MEDICAL ADVISER," with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. Every woman should have it, and learn to think for herself. Then when the doctor says—"You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all old or young. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures Leucorrhoea, Green Sickness and Painful or Irregular Menstruation in Young Ladies. Plumpness and health always results from its use.

Wherever you live, I can refer you to ladies of your own locality who know and will gladly tell any sufferer that this Home Treatment really cures all women's diseases, and makes women well, stronger, plump and robust. Just send me your address, and the free ten day's treatment is yours, also the book. Write today, as you may not see this offer again. Address—

J. JAMES WOOD & SON

The Chesapeake and Ohio Railway Company this week sent four hundred cars to the Huntington plant of the American Car and Foundry Company to be repaired. This is the last of a large contract which the C. & O. gave to the Design Works several months ago, work upon which was ordered suspended by the Railway Company when the panic was in its most serious aspect.

NATURE AND A WOMAN'S WORK

LYDIA E. PINKHAM

Nature and a woman's work combined have produced the grandest remedy for woman's ills that the world has ever known.

In the good old-fashioned days of our grandmothers they relied upon the roots and herbs of the field to cure disease and mitigate suffering. The Indians on our Western Plains to-day can produce roots and herbs for every ailment, and cure diseases that baffle the most skilled physicians who have spent years in the study of drugs.

From the roots and herbs of the field Lydia E. Pinkham more than thirty years ago gave to the women of the world a remedy for their peculiar ills, more potent and efficacious than any combination of drugs. Lydia E. Pinkham's Vegetable Compound is now recognized as the standard remedy for woman's ills.

Mrs. Bertha Muff, of 515 N.C. St., Louisiana, Mo., writes:

"Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my troubles public.

"For twelve years I had been suffering with the worst forms of female ills. During that time I had eleven different physicians without help. No tongue can tell what I suffered, and at times I could hardly walk. About two years ago I wrote Mrs. Pinkham for advice. I followed it, and can truly say that Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice restored health and strength. It is worth mountains of gold to suffering women."

What Lydia E. Pinkham's Vegetable Compound did for Mrs. Muff, it will do for other suffering women.

PLENTY OF EXERCISE NECESSARY

Plenty of regular exercise must be taken in order to keep the body in a healthy condition. Any excessive or unusual exertion, however, is sure to cause stiffness and soreness of the muscles and joints.

To counteract this effect there is nothing better than Sloan's Liniment. Lay it on lightly where the muscles have been strained; it requires no rubbing, for it penetrates right to the bone, relieves any congestion and inflammation and makes the muscles elastic and pliant.

Sloan's Liniment is a great boon to athletes, for it not only relieves pain and stiffness, but it is an excellent remedy for sprains, cuts, bruises and cramps.

Mr. J. F. Price of Tusculuma, Ala., writes: "I am an engineer on the Southern Road from Chattanooga to Memphis, Tenn. The continued elevation of my arm upon the throttle gives it a sore feeling when on a long journey, and there is nothing that will take the soreness out like Sloan's Liniment, and I keep a bottle in my grip always."

Mr. Godfrey Hunsicker, the East End coal merchant, was stricken with paralysis this morning at 5 o'clock at his home in Houston avenue. His right side is paralyzed, and he is in a critical condition. Up to the hour of THE LEDGER going to press he had not spoken or recognized the members of his family.

Mason County Court.

The case of the Cincinnati Gas Transportation Company against John Adams to condemn a strip of land thirty feet wide through his farm in order to pipe natural gas through Mason county, was tried yesterday in the County Court. The jury, after hearing the evidence and arguments of counsel, assessed the damages at \$850.

It is understood that an appeal will be taken from the judgment to the Mason Circuit Court.

Court adjourned until next Wednesday, when the case of W. R. Newell will be called for trial.

Messrs. J. G. Wadsworth and A. D. Cole represented the plaintiff, Transportation Company, and Messrs. Worthington & Cochran represented defendant, Adams.

CONFIRMED PROOF.  
Residents of Maysville Cannot Doubt What Has Been Twice Proved.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of Maysville who so testified years ago now say their cures were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Maysville kidney sufferers.

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says:

"Doan's Kidney Pills have been used in our family with most beneficial results, and it gives me pleasure to corroborate the testimonial given in their favor some years ago by Mr. Wallingford. As stated then, he suffered a great deal from backache, failing to obtain relief from any of the remedies which he used. Hearing Doan's Kidney Pills highly spoken of, he obtained a box from J. C. Wood & Son's Drugstore, and had only taken them a short time when a complete cure was effected. The fact that he has remained free from any recurrence of the trouble is sufficient evidence of the sterling value of this remedy. I have also used Doan's Kidney Pills and they have always afforded me the same relief as they did my husband."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

High-Grade Butchering Drugs

The Pure Food and Drug Laws may prevent the adulteration of food products, but such laws do not guard you against inferior quality. Decidedly poor spices may clear the law. The way to guard against the poor kinds is to buy where high-grade goods only are sold. During the butchering season you'll need

Sage, Black Pepper, Cayenne, Etc.

Let us supply you. We have them strictly fresh and the best grades of each that the market affords. There's economy in their use because they are of extra strength as well as of finest flavor, and will cost you no more than inferior goods.

## Our Colored Citizens.

There were about 25 persons who came down  
from Flemingsburg Thursday night to attend  
the "Ham Smile" at Rev. O. A. Nelson's Church  
in East Maysville.

The U. B. of F. and S. M. T. gave a grand  
reception Thursday afternoon, which was quite  
a success. The hall was packed to its utmost  
capacity. Hon. W. A. Gaines of Covington was  
speaker of the day, followed by Hon. E. W.  
Lane, Rev. E. Combs and others of our city.  
This Order has been struggling for many years  
to pay for their Hall on Elizabeth street, which  
they now own. After eating and drinking of  
all the good things that Maysville affords, they  
gave thanks and went home rejoicing.

**Deafness Cannot be Cured**  
by local applications, as they cannot reach the dis-  
eased portion of the ear. There is only one way to  
cure deafness and that is by constitutional reme-  
dies. Deafness is caused by an inflamed condi-  
tion of the mucous lining of the Eustachian tube.  
When this tube is inflamed you have a rumbling  
sound or imperfect hearing, and when it is entirely  
closed, deafness is the result, and unless the in-  
flammation can be taken out and this tube re-  
stored to its normal condition, hearing will be  
destroyed forever; nine cases out of ten are caused  
by Catarrh, which is nothing but an inflamed  
condition of the mucous surfaces.

We will give One Hundred Dollars for any case  
of deafness (caused by catarrh) that cannot be  
cured by Hall's Catarrh Cure. Send for circulars  
free. F. J. CHENEY & CO., Toledo, O.

## SHEOL IN FLEMING

And Bath Counties—Charles Star-  
rett Probably Murdered—Four  
Prisoners Escape—Trial  
of Harry Morgan

At Sherburne, Fleming county, yesterday  
Charles Starrett was a victim of murder or  
suicide, a pistol being found by his side. His  
daughter was mixed up in the recent trouble  
at Sherburne, where there was a complication  
of dramatic events, with arson, stabbing, etc.,  
and the girl landed in the Reform School.  
Yesterday it is stated that Starrett tried to  
kill the girl, but many think the man was mur-  
dered to get him out of the way.

The trial of Harry L. Morgan, charged with  
arson at Sherburne and stabbing Thomas G.  
Daugherty, is now in progress at Flemings-  
burg. Morgan was in the Maysville Jail and  
stated to THE PUBLIC LEADER the facts about  
Starrett and his daughter being at the bottom  
of the whole trouble at Sherburne and yester-  
day's denouement corroborates his assertion.

The Sherburne mixup is one of the strang-  
est ever reported in Kentucky.  
Yesterday, while the examining trial of  
Morgan was in progress at Flemingsburg, all  
the prisoners in the County Jail dug out and  
escaped. They were Ogilvie Brothers, gypsies, G.  
Hamilton and Banefield, all charged with felony.

It's Major Frederick Dreesel now. The pro-  
motion of this distinguished officer, late Cap-  
tain Limestone Lodge U. R. K. of P., brings  
joy to the hearts of thousands of his Maysville  
friends. The appointment was made by Gen-  
eral McGregor of Covington, Brigade Com-  
mander, and the gallant Major will henceforth  
figure as one of the conspicuous members of  
General McGregor's staff. Major Dreesel was  
at one time Captain of the Maysville Company  
Kentucky State Guard and acquitted himself  
with credit. That the genial Major will bring  
mutual honor and glory to Limestone Lodge  
U. R. K. of P. and himself is not doubted for  
a moment.

## WANTS A CHANGE.

MAYSVILLE, KY., November 26th, 1908.

Editor Ledger: On this Thanksgiving Day  
it might not be inappropriate to offer a few  
thanks to the wise men of our city who want  
the streetcar track placed in the middle of  
East Second street between Union and Carmel.

There are a number of reasons why this  
should be done, but I'll name only one or two  
of them.

The street is unusually narrow, and a middle-  
of-the-road track would make such delightful  
driving on either side of it—with one wheel of  
your buggy grinding against the steel rails  
and the other bumping along over the edge of  
bank—to say nothing of the fun of passing a  
fellow coming the other way, or turning out  
to let a car pass.

Now the track is along the North side of  
the street the entire distance. The trolley-  
wire is supported by a single line of poles,  
set outside of the curb line. This ought to be  
changed by all means. Why shouldn't the  
good people along the South side of that street  
have a row of poles in front of them, set up in  
their sidewalks?—which they would get through  
the proposed change.

Another thing. Every funeral procession  
reaches the Cemetery by this route. As the  
cartrack is now, it doesn't interfere with these  
processions. This ought to be changed. It is  
nearly a mile from Union street to Carmel,  
entirely too far for a funeral cortege to travel  
without extrarisk. Just think: If the track was  
in the middle of the street, see what a chance  
there would be for breakdowns, and what a  
bully thing for blacksmiths and carriage-makers!  
Or, just think what a lot of fun it  
would be if the middle-of-the-street trolley  
wire should let go and fall on a passing funeral!  
Why, it would be more amusing than a  
cage full of monkeys.

Let's have the extra line of poles along the  
South side of the street, the car-track taking  
up the best part of the present roadway, and  
the risk of the center trolley falling on pass-  
ing teams—let's have these changes by all  
means! BEATSELL.

DELIBERATELY BUYS  
POOR CLOTHES.

He thinks their good, worth

good money for cheap cotton  
mixed goods and they think  
they are being real eco-  
nomical because they get  
such clothes for a little less  
than all wool would cost.  
This cotton-mixed stuff is  
very deceiving, even expert  
clothing men find it difficult  
at times to tell whether or  
not a fabric has cotton in it.  
As for the inexperienced  
wearer, we've seen fabrics that  
looked good enough to sell  
for \$20 for the suit that was  
at least 60 per cent. cotton  
and really worth about \$6  
the suit. You get no such  
"flim-flam" when you trade  
with us. Thirty years sell-  
ing good clothes enables us  
to separate the "sheep from  
the goats." When we say
